Remarks

Nestled in a tranquil setting with mature trees, this charming home in vibrant Downtown Farmington features an updated kitchen with premium stainless appliances, granite counters and ceramic tile flooring. Full bath with luxury features including a Euro shower door and dual shower head. French doors off the kitchen lead to a light filled sunroom with views of the large fenced in back yard. The pergola patio makes this the perfect space for outdoor living and entertaining. Located just a few blocks from Riley Park where you can enjoy free summer concerts and Oakland countys best farmers market. Downtown Farmington has many new restaurants, breweries, clothing stores, shops, art galleries, Farmington Civic Theater, Farmington community library, Fresh Thyme grocery store and soon to open Road less traveled bookstore. New boiler 2017 & water heat 2024.
